

Make an Origami Scout

(Your Brain's "Safety Pup")

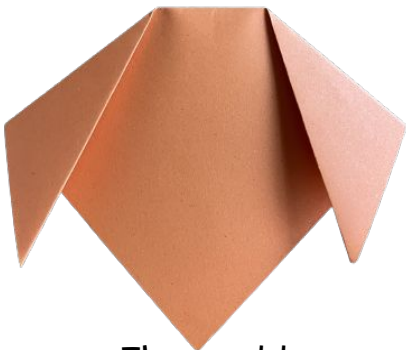

Begin with a paper in the shape of a diamond.

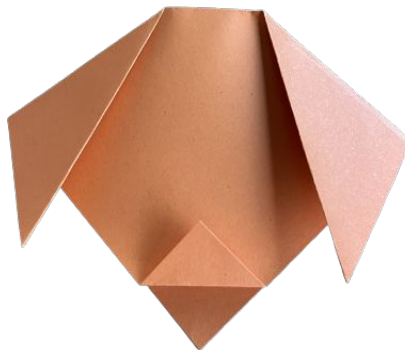

Match the top point with the bottom point and fold to create a triangle.

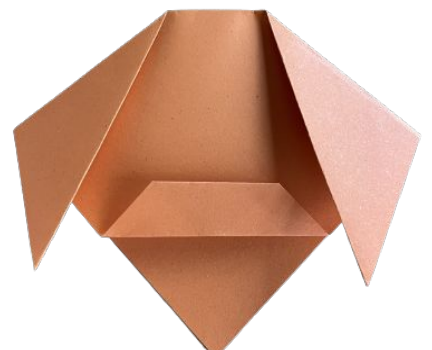

Fold to make an ear.

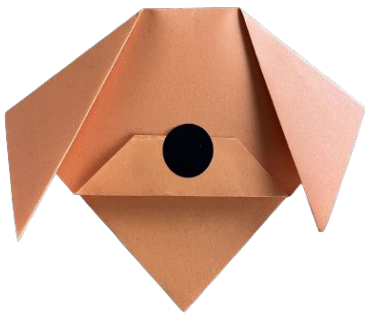

Then add another ear.

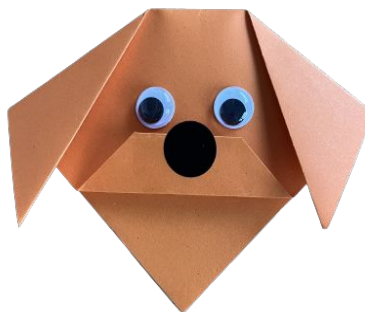

Fold the top layer of paper up to make a small triangle.

Fold up again to make a trapezoid.

Add a sticker nose.

Peel and stick some googly eyes.

Draw on some whiskers and a tongue.
